To Whom It May Concern:

We are in receipt of the letter from the Commission regarding the above referenced report. Please see below for our complete response.

The missed 48-hour notice referenced in the Request for Additional Information was for an in-kind contribution for which we received notice after the window for reporting May 12 activity had closed. We regret this lag occurred.

Thank you for the opportunity to respond. Please contact us if you need any additional information.

Sincerely,
